Dear Jeff:

Once again I am compelled to let you know how thankful I am for your immediate attention to our computer needs. There has never been a time when I call you or any member of your staff and do not get an immediate response. I know you have a lot of other clients but it is very gratifying to feel like we are your only client because that is how you have always handled service to our firm.

I look forward to continuing our business relationship as I am sure your excellent service and expertise will continue to help our firm grow in the area of computer technology.

Very truly yours,

Cheryl A. Villari
Office Manager
